Group Planning Exercise Test – 1

Friends, Look at the below problem and mail your responses to enquiry@ssbacademy.org. Your responses will be evaluated by Colonel Balasubramium of Shankar's Academy, Salem, TamilNadu.

You are a party of 10 students including 2 girls from a Medical College of City Social, engaged in Tsunami Relief Operations in Village Bekaar. After Completion of job in that village at 1400 hrs, while you are moving to other villages, you are informed by a villager from Chor that his village is in a very precarious condition, but has been infected by hardcore criminals and they do not allow outsiders to enter their village and earlier even the police who dared to enter the village were brutally murdered.

Simultaneously a boy fell on your feet and became unconscious after telling that his Village Sick has mass epidemic due to post-Tsunami waves and all relief assistance people have withdrawn from their task fearing their own lives. While you were discussing as to what to do, you found that your beautiful girl friends were missing, on enquiry it is learnt that the girls have been molested and kidnapped by 3 goondas of that village. In the meanwhile, one of your friend, while saving 2 seriously injured old ladies and an infant from the second floor of a building, slipped, fell down and fractured his leg. A boy also cries to save his pet dog trapped in his completely damaged house. You also learn that the school building in
